PRACTICE AREAS

- | International arbitration
- | Cross-border disputes
- | International contracts

PROFESSIONAL AFFILIATIONS

- | International Bar Association
- | Geneva Bar Association
- | Swiss Arbitration Association
- | Swiss Art Law Association

Guillaume Tattevin specialises in international arbitration, cross-border disputes and international contracts.

Guillaume has acted in more than seventy arbitration proceedings under various Arbitration Rules & Laws (ICC, ICSID, Swiss Rules, PCA, NAI, Court of Arbitration for Sport, etc.) and in matters including transnational sales contracts, post-acquisition disputes, construction projects, aviation and energy. He also advises clients on international contracts, with a focus on international sales and art law.

Guillaume is an Avocat à la Cour registered to practice in Paris and Geneva. He holds a postgraduate degree in international law from the University Paris II (2001), a DEJA in English & American law (1999), and an LL.M. from the University of Essex (2000).

Prior to joining Archipel, Guillaume practiced within the arbitration teams of international firms in Paris and Geneva. He was also Legal Counsel at the Permanent Court of Arbitration in The Hague (2005-2008).

Guillaume practices in French and English.

RECENT EXPERIENCE

- Representing a European company in a Swiss law arbitration relating to an Oil & Gas dispute in the Gulf region
- Representing a North African IT company in an ICC arbitration in relation to a joint-venture project
- Leading Swiss recovery of assets following a USD multi-billion fraud involving cross-jurisdiction recovery
- Acting for a German company in enforcement of foreign arbitral awards and recovery of assets in Switzerland
- Arbitrator in a dispute under the Sales Convention relating to Middle-East operations of EMEA-based companies
- Advising a Shanghai-based company in a sales-related cross border dispute
- Advising a European chemical company in negotiations of long term supply agreements under Swiss law, including take or pay, revision triggers, FM/fundamental change of circumstances
- Legal expert on Swiss law of contracts in a USD 800 million case before the English High Court
